

QUALITY COUNCIL OF INDIA
National Board for Quality Promotion

ITPI Building, 6th Floor, 4-A, I P Estate, Ring Road, New Delhi - 110002, India

1-day Awareness Program

on

“ISO 45001:2018 (Occupational Health & Safety Management System)”

ISO 45001:2018 – Occupational Health & Safety Management System is an International Standard that specifies requirements for an occupational health and safety (OH&S) management system, with guidance for its use, to enable an organization to proactively improve its OH&S performance in preventing injury and ill-health. It enables an organization, through its OH&S management system, to integrate other aspects of health and safety, such as worker wellness/wellbeing;

ISO 45001 is applicable to any organization regardless of its size, type and nature. All of its requirements are intended to be integrated into an organization’s own management processes.

About the Program: National Board for Quality Promotion (NBQP), a constituent Board of Quality Council of India (QCI), is conducting a One day Programme on “**ISO 45001:2018 (Occupational Health & Safety Management System) Awareness**” in association with the Technical Partner ‘**Synergy Business Management Solutions**’, for the benefit of industry, organizations, society and other stakeholders. This is an activity under **National Quality Campaign** being implemented by **Quality Council of India**.

Course Description: The objective of this course is to provide participants with an understanding of what is new in ISO 45001:2018 & gives an overview of new requirements & its interpretations. The course is very useful for any organization to understand the changes to ensure smooth transition from previous version of OHSAS 18001: 2007

Who Should attend: This course is intended for Professionals including but not limited to safety executives / managers, management representatives, Occupational health & safety consultants etc. from industry, government, academics, NGOs and any other professional who would like to learn and understand **Occupational Health & Safety Management System**.

The details are as below:
