

**National Board for Quality Promotion
QUALITY COUNCIL OF INDIA**

2nd Floor, Institution of Engineers Building, 2, Bahadur Shah Zafar Marg, New Delhi – 110002

1-day Programme

on

“Practical Risk Assessment as per ISO 9001:2015 (Quality Management System)”

ISO 9001 – Quality Management Systems is globally the most popular ISO Standard with more than 1.1 million certificates worldwide in more than 170 countries. ISO 9001 sets out requirements for Quality Management Systems and can be used by any organization, large or small, regardless of its field of activities for getting itself certified.

ISO 9001: 2015 edition has been published by ISO on 15th September 2015. The revised ISO 9001 not only meets the growing needs of customers but also is more relevant to organizations in today’s increasingly complex economies and markets, as it brings in a new core concept of Risk-based thinking aimed at preventing undesirable outcomes.

About the Programme: National Board for Quality Promotion (NBQP), a constituent Board of Quality Council of India (QCI), is conducting a One day Programme on **“Practical Risk Assessment as per ISO 9001:2015 (Quality Management System)”** for the benefit of industry, organizations, society and other stakeholders. **This is an activity under National Quality Campaign being implemented by Quality Council of India.**

Course Description: The objective of this course is to provide participants with an understanding of ISO 9001:2015 and will also cover practical Risk Assessment tools & techniques. The programme consists of Instructor-led presentation with examples. On completion of this course, you will receive a Certificate of Participation.

Who Should attend: This course is intended for Professionals from industry, government, academics, NGOs and any other professional who would like to learn and understand the practical Risk Assessment as per ISO 9001:2015 standard. Specifically it will be of interest for:
