

We help you grow

The National Board for Quality Promotion (NBQP), an integral Board of QCI, is solely dedicated to promote quality in all walks of life.

QCI is the apex Quality Assurance Body for India. It was established through a Cabinet decision of the Government as the National Accreditation Body. It is an *autonomous body under Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry*

National Board for Quality Promotion (NBQP)

The mission of NBQP/QCI is to “Be a catalyst for the promotion of Quality Movement amongst all stakeholders.” We are constantly endeavouring to implement the Quality improvement initiatives, especially in the manufacturing sector. We are promoting Quality for enhancement of processes & systems with the ultimate aim of improving products and services in the supply chain, by the process owners.

Quality Conclaves (National/ Regional)

National Quality Conclave/Regional Quality Conclave is the flagship event of QCI driving the mission of promoting quality across the country. The Conclaves bring new insights on the global challenges & opportunities in the industry along with the critical role that quality and technology play to create a competitive edge for the businesses and provide direction for shaping of a better future. The Conclaves truly act as a platform for the latest trends on Quality and Technology for learning and sharing of best practices and policy implications.
